Date and Location:

August 21 – 24, 2011. Lakewoods Resort, Cable, Wisconsin.

Purchase Requirements:

This year's First Supply purchase requirement of fluid handling products is \$27,000 per person between April 1 – July 31, 2011 to earn a trip on the Fishing Getaway program.

Note: If this goal is not reached, the customer will be charged \$.03 per dollar for the remaining balance. Example: XYZ Company signs up (1) person with a goal of \$27,000. XYZ purchases \$18,000 in product. The remaining balance would be \$9,000. Thus you would owe \$270 towards your trip ($\$9,000 \times \$.03 = \270).

** Sign-up purchase credit will be applied to purchase requirement. Ex: the purchase requirement is lowered to \$26,500 when credit is applied. Credit has no monetary value and will be surrendered if participation of 2010 trip is cancelled.*

Program Billing:

A \$810.00 deposit charge per person will be billed to your account at time of sign up. This deposit is due net 30 days and must be paid before your spot is reserved on the trip. A credit or bill for the balance will be calculated and issued the third week of September 2011.

Enrollment/Cancellation Policy:

Deposit will not be refunded if cancellation of a person or trip occurs after August 1, 2011. Customers attending the trip must be in good financial standing. The total buy in with no sales for this program is \$810.
