Welcome Packet Information

Welcome World of Opportunity Participants!

We're excited to have you join us for our 2006 World of Opportunity (WOO) program. The enclosed Welcome Packet includes important information regarding the WOO program. The yellow folder is a great way to organize the various WOO communications you'll receive throughout the year.

As you browse through your packet, you'll find your first Performance Statement detailing your earnings as well as an accompanying Performance Statement Explanation Sheet. We hope you find the Explanation Sheet helpful, however, don't hesitate to contact us with any questions you may have.

The Vendor Sponsors poster is a great reference to remind you which vendors help you earn your trip even faster! It's a good idea to post it in a visual spot as a helpful reminder. Don't forget to look over the May Bonus Point listing!

The copy of your registration form is yours to keep in your records. If you signed up for our new Return & Earn program, you'll also find a copy of this. If you haven't yet registered for our unique bonus point program, be sure to return the blank form by **June 1** for participation in this offer for 2006.

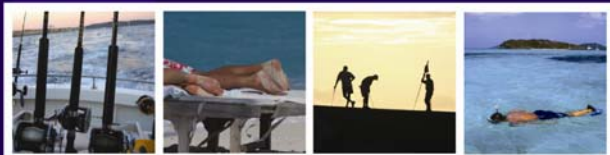

Count down the days until Ixtapa with your new festive mouse pad we've sent along. To ensure you don't miss any WOO news, we've created a special section on our website featuring the latest and greatest information. We'll continue to send you updates via US mail, but are pleased to offer you one more WOO resource for your convenience. Check it out at www.1supply.com!

We hope you are as excited as we are about the great trip we have planned for our 2006 WOO program. Feel free to contact us with any questions or comments that may arise.

Sincerely,

Your WOO Crew
