

Travel the World with your Passport.

This is a quick reminder that **NOW** is the time to apply for a passport for travel to Mexico next year and for all future World of Opportunity trips. Visit www.travel.state.gov for more information on applying for a passport.

New Application for a U.S. Passport

To obtain a passport for the first time, apply in person to one of 7,000 passport acceptance facilities located throughout the United States. You'll need two photographs of yourself, proof of U.S. citizenship, and a valid form of photo identification (such as a driver's license) when you apply.

You'll need to apply in person if: 1) you are applying for a U.S. passport for the first time, 2) your expired U.S. passport is not in your possession, 3) your previous U.S. passport has expired and was issued more than 15 years ago, 4) your previous U.S. passport was issued when you were under age 16 or 5) your currently valid U.S. passport has been lost or stolen.

Acceptance facilities include many Federal, state and probate courts, post offices, some public libraries and a number of county and municipal offices. An online search is available to find a facility near you.

All of us at First Supply wish you a fun and relaxing summer. We look forward to providing you with an unforgettable journey to Ixtapa in 2007!
