ACKNOWLEDGEMENT

I have read and understand that when I register in the 2007 First Supply LLC, World of Opportunity Incentive Program there are cancellation charges for withdrawing from the program or for being terminated from the program for failure to comply with any of the terms and conditions of the program and other participation guidelines as specified in the 2007 Official Program Guidelines. Notably, all accounts must be kept current throughout the entire year including billing for this travel program. For this program, purchases do not include taxes, freight charges, carrying charges, or any other non-product charges. **NOTE:** Due to flight restrictions for both destinations, the actual participation name(s) will be required in advance. For Switzerland, participant names will be required by February 15, 2007. Changing participants names after February 15 will incur charges you will be responsible for. For Honolulu, better commercial flight schedules will be assigned based on the date this registration form is received at the address below.
