Welcome Packet Information

Welcome World of Opportunity Participant!

We're excited to have you join us for our 2007 World of Opportunity (WOO) program. The enclosed Welcome Packet includes important information regarding the WOO program. The folder is a great way to organize the various WOO communications you'll receive throughout the year.

As you browse through your packet; you'll find your first Performance Statement detailing your earnings as well as an accompanying Performance Statement Explanation Sheet. We hope you find the Explanation Sheet helpful, however, don't hesitate to contact us with any questions you may have.

The Vendor Sponsors poster is a great reference to remind you which vendors help you earn your trip even faster! It's a good idea to post it in a visual spot as a helpful reminder. Don't forget to look over the April and May Bonus Point listings!

To ensure you don't miss any WOO news; we've created a special section on our website featuring the latest information detailing the exciting places you'll be visiting. Click on the links for more information on the hotels, cities and events. We'll continue to send you updates via US mail, but are pleased to offer another WOO resource for your convenience. Check it out at www.1supply.com!

We hope you are as excited as we are about the great trip planned for our 2007 WOO program. Feel free to contact us with any comments or questions.

Sincerely,

Your WOO Crew
