OPTIONAL TOURS

Greetings Mexican Traveler!

What's more exciting than the ocean, beaches, sun, relaxation or the adventures? We have all that and more planned for you. The days are yours to explore; why not take a tour? Tours are a fun and exciting way to see the best sights around. Enclosed is a guide highlighting the complimentary city tour and the two First Supply exclusive tours.

Hop on the bus. We'll take you on tour of Playa del Carmen highlighting the greatest and most interesting sights. The tour ends at the local shopping area so you can spend time hunting for treasures and enjoying the local cuisine.

Choose a fun-filled day exploring Tulum and experiencing Xel-Ha or venturing back to AD 600 by visiting the ancient city of Chichen Itza. Both tours are exclusive for First Supply guests and include private transportation, lunch and beverages.

Advance registration is necessary for all tours. Please return the form even if you decide not to participate in an optional tour (including the city tour). We need an accurate count for each tour so we can plan accordingly. Please complete the enclosed form and return to Pat Williams by **November 1**.
