Presented By *First Supply*

Find yourself lost in the Great Northwoods!
First Supply celebrates winter with a fantastic getaway to the great Northwoods. Start a tradition with First Supply's First Annual Snowmobile adventure.

We're off to Staudemeyer's Four Seasons Resort in beautiful Cable, Wis. Spend three thrilling days at one of Bayfield County's finest resorts. Four Seasons Resort is conveniently situated in the middle of the winter snowmobiling fun with a prime location on Lake Namakagon - the hub of snowmobile sledding in the area. You'll be staying in a cozy cottage; perfect to warm up after a day on the trails. All cottages include a custom fieldstone fireplace, Cable TV, complete kitchens and are just a quick walk to the lodge which has a full bar to help you relax after an exciting day.

Hundreds of miles of excellent trail systems bring snowmobilers back again and again to the Cable Area...a system that encompasses a gently rolling terrain in the middle of the Chequamegon National Forest. Uncrowded trails and the solitude of the national forest will give you an exhilarating outdoor experience. The interconnecting trail systems allow you to travel to the numerous attractions in the area.

This trip includes a tasty breakfast buffet, perfect refilling lunches, nightly mouthwatering dinner buffets and miles and miles of snowmobiling excitement. We have an exciting itinerary planned, so pack up your gear and join us for the 2012 First Supply Snowmobiling Adventure! You won't want to miss it.
